PRICE

The beautiful images shown in this catalog are marked with their largest available size. Please determine the product you prefer and locate the price on the attached chart for the size of your choice.

The chart displays pricing for any size square down to an 18"x18". So, if you prefer an image with a maximum size of 56" square you can price it at any size between 56" and 18". If you prefer an image whose maximum size is a 24" square you can price it at any size between 24" and 18".

All the float frames shown in the catalog are interchangeable at the same price. Hopefully you will enjoy the diversity of style and color, and find just the right fit for your needs.

You may also request framing not shown in this catalog which will be priced separately.
